Welcome to The Quarter.

Or rather, the foundations of what will be. A quarterly magazine launching this summer, The Quarter is for and about Newhall – a collection of news, interviews and features to bring our community together and celebrate all that is great about where we live and spend our time.

A 32-page, full-colour proposition will coincide with each of the seasons, while this condensed sample serves to give you a taste of the carefully-considered content to follow. What will undoubtedly become a welcome and engaging addition to all homes and businesses within our beloved Newhall, we welcome you to be involved.

Newhall Projects and SHW Teams.

Full Page

We want your advertisement to look the best it can be, while remaining cohesive with the rest of The Quarter – which is why we'll advise on the look and feel of your advert. As well as offering up relevant reading content for Newhall residents, we're also making something of an aesthetic provision to the community, and we want it to work hard and in line with the development's ethos. Our goal is to give readers something to hold on to and make a part of their home, and with which to feel connected to their neighbours and wider community.

A full page advert offers maximum visibility for your brand, with inside front or back covers being the most coveted spaces available.

Back cover	1 Edition	£1500
Inside covers	1 Edition	£1500
Internal full page	1 Edition	£1250

Specifications:
210 X 280mm

Half Page

A half page advert, much like a full page, offers great visibility but at a reduced cost. We take care to place half pages adjacent to complimentary content – be that another advert or an article which aligns well. Half pages may be vertical or horizontal, depending on space. We're always happy to discuss your needs in more depth, so please just ask.

1 Edition **£700**

Specifications:
105 X 280mm (vertical)
210 X 135mm (horizontal)

Classified

If you don't need a major space, but still want to let people know about your brand, then classified adverts offer a brilliant way for smaller makers and businesses to showcase their work. With room to include an image and enough text to direct clients on how to find you, you'll be shown alongside your peers in a thoughtfully-curated stand-alone section.

1 Edition **£120**

Specifications:
45 x 112mm (single)
100 x 112mm (double)

Advertorial

For those who want the community to see something different from their business, we're always happy to discuss how an advertorial might work for you. Discussion and careful consideration of the subject can help our editorial team to shape a feature that shows you in your best light. We'll work with you all the way along, from steering tone of voice to aligning our design with yours.

1 Edition **POA**

Specifications:
210 X 280mm
